

Semi-Annual Sale of Unusual Furniture and Rugs

Notwithstanding the continued scarcity of furniture and floor coverings and the steadily advancing prices on both—in accordance with the custom of this house since its establishment—our semi-annual sale will, as usual, begin on the 15th instant. All purchases made during this period will be subject to 15% discount.

Note—Our plainly marked prices are founded on a keen competitive basis, and therefore the discount offered is a clear gain for the buyer. Give us an opportunity to convince you.
